

The Patricia Manzo Diabetes Foundation

Beards for 'Betes Registration Form

Categories:

Growers: Growers must be clean shaven on November 6th, then grow and document your beard growth throughout the three month fundraiser. During those three months you and your team will compete to gather the most sponsor dollars per person. You will be eligible for the Growers Grand Prize at the finale!

Bearded Lady: Ladies, the beards aren't just for guys anymore. This is strictly a donation based competition. The lady that raises the most money between the Clean Shaven Party and the Finale will be our Bearded Lady for 2009!

Beardless Wonder: Guys, if the boss man, wife, or mother in law rides you about the weak little goatee that you grow during football season and you cannot get away with a full blown beard, you should sign up to be a Beardless Wonder. You don't have to grow a thing, just get out there and collect donations, spread the word about our cause, and you are eligible for our Beardless Wonder award!

Full Blown Grown: If you have already proved your mettle in the bearded arena, and you sport the bushy beard with pride year round, you can still holler about our cause & collect donations. Sign up to be one of our Full Blown Grown! The top earner will win our Full Blown Grown award at the Finale!

Team Name _____

Category:
